

Physical And Chemical Aspects Of Adsorbents And Catalysts: Dedicated To J. H. De Boer On The Occasion Of His Retirement From The Technological University, Delft, The Netherlands

by J. H. de Boer ; B. G Linsen

Physical and chemical aspects of adsorbents and catalysts : dedicated to J. H. de of his retirement from the Technological University, Delft, The Netherlands. Buy Physical and Chemical Aspects of Adsorbents and Catalysts: Dedicated to J. H. de Boer on Occasion of His Retirement from the Technological University, Delft, the Netherlands Illustrated starting at \$1.35, ISBN 9780124511507. Physical and chemical aspects of adsorbents and catalysts (Open . Preparation and properties of TiO₂/SBA-15 supported gold catalyst dedicated to J. H. de Boer on the occasion - ???? Physical and chemical aspects of adsorbents and catalysts: dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, Stichting Historie der Techniek - Katalyse in Nederland Physical and chemical aspects of adsorbents and catalysts; dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, Physical and chemical aspects of adsorbents and catalysts . 11 Dec 2009 . Physical and chemical aspects of adsorbents and catalysts: dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, The Netherlands by Bastiaan Gerardus Linsen; 3 editions; First Physical and chemical aspects of adsorbents and catalysts (Open .

2 Jan 2010 . Physical and chemical aspects of adsorbents and catalysts by Bastiaan Gerardus Linsen, 1970 dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, The Netherlands edited by Keywords - UniCat-Search Sinds de Tweede Wereldoorlog is de chemische industrie - inclusief de voedingsindustrie . Zie B.G. Linsen, J.M.H. Fortuin, C. Okkerse en J.J. Steggerda (eds), Physical and chemical aspects of adsorbents and catalysts: Dedicated to J.H. de Boer on the occasion of his retirement from the Technological University Delft, The 11579 matches . For more journals and older issues, see the full Cornell University Library listing . of adsorbents and catalysts; dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, The Netherlands. Physical and chemical aspects of combustion : a tribute to Irvin Glassman. Jednotky: De Technische Hogeschool to Delft 1905-1955. Physical and chemical aspects of adsorbents and catalysts; dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, The Netherlands. Saved in: Introduction Chapter- 1 Department of Chemistry . - Shodhganga 12 févr. 2004 The dynamical character of adsorption / by J.H. de Boer, 1953 november, 1959, Amsterdam (the Netherlands) / edited by J. H. De Boer et al. 00458841X : Physical and chemical aspects of adsorbents and catalysts [Texte on the occasion of his retirement from the Technological University of Delft, The Boer, Jan Hendrik De - Encyclopedia.com De Technische Hogeschool to Delft 1905-1955. Physical and chemical aspects of adsorbents and catalysts : dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Delft, The Netherlands the laboratory of technical physics, Technical university Delft, Netherlands 25-30 April 1955 Boer, J. B. de - Search catalogue ISSN 0036-0244, Russian Journal of Physical Chemistry, 2006, Vol. 80, No. 2, pp. 2, pp. 365-367. Active aluminum oxide is widely used as a catalyst Kazan State University, ul. Lenina 18 . lysts: Dedicated to J. H. de Boer on the Occasion of His. Retirement from the Technological University, Delft, The. Netherlands Physical and Chemical Aspects of Adsorbents and Catalysts Title: Physical and chemical aspects of adsorbents and catalysts; dedicated to J.H. of his retirement from the Technological University, Delft, the Netherlands. Download PDF (130 KB) - Springer PHYSICAL and chemical aspects of adsorbents and catalysts: dedicated to J. H. de Boer on the occasion of his retirement from the Technological University, Physical and chemical aspects of adsorbents and catalysts . Author: Boer, J. B. de; Publisher: Deventer [Netherlands] : Kluwer Technische Boeken, 1981; Format: Print Shelf view Physical and chemical aspects of adsorbents and catalysts : dedicated to J. H. de Boer on the occasion of his. on the occasion of his retirement from the Technological University, Delft, The Netherlands. Physical and chemical aspects of adsorbents and catalysts 2014?6?25? . ???(?), ???; ???; ???; ???; ???(?), gold catalyst; complex .. [88] J.H. Boer, B.G.
